

What evidence supports the Authority of your Office?

What evidence supports your Office being lawful, valid and recognised under the Constitution?

By what Authority have you refused to answer my questions?

By what Authority do you have to make an illegal claim on another?

By what Authority do you have to make any claim on another, without first providing a proper Statement of Claim with all supporting evidence?

By what Authority do you have to charge another for evidence?

By what Authority do you have to make a judicial determination of guilty, and without a trial by jury?

Why have you omitted your name of your letter dated 23 April 2014? What is your full name?

I request you refer this matter to the most senior Supervisor in your Infringements department forthwith so this incident can be rectified immediately.

I request his/her title and full name be also provided.

In the first instance, I consider your actions a serious Breach of Trust, fraudulent and in violation of numerous laws, including under the Crimes Act Act, and Human Rights. Unless this harm upon me is remedied within the next 72 hours with a response via email, I will be taking this matter seriously.

Contacting the Mayor, Councillors and Attorney General's Department will be just the start.

Furthermore, if I don't receive a response from you and answers to all my questions within 72 hours from the time stamp of this email, I will accept your notice as having been withdrawn.

This issue of illegal fines from Whittlesea Council will cease for all people. You have my word I will do everything in my God given power to make this happen. Your illegal form of revenue raising days are over!

May God Bless your Souls
